Do you have a story to tell about Memorial Hospital? Maybe one of your relatives was born here, you've come here for primary care, or you've attended events and participated in activities. Whatever your story is, we'd like to know! We are collecting stories to share throughout the year in honor of our 75th anniversary. If you have a story you'd like to share, please attend this event and enjoy a free small drink\* as a thank you!
